Subject: ERP agreement & cover letter

Paula,

Good Morning and I hope your test went well.

I need for you to print off the attached letter for my signature and 3 sets of the agreement (or one and make two copies - whichever is more convenient).

Once I sign the letter - pls make a file copy in addition to the cc's and return it and one of the copies of the agreement to my attention for the file. Thank you!!!!

This needs to go out on Monday.
Bristow
